IMPAQ CAPS CURRICULUM & SYLLABUS

Our syllabus is geared to deliver academic excellence and follows the national CAPS curriculum from the IMPAQ programme supplemented by a unique whole child development support. Our learner's materials are designed and published by IMPAQ which are built on an established learner centred curriculum that is used by over 13000 learners across the country.

It is important that in THE FORMATIVE YEARS OF A CHILD'S EDUCATION, they build the necessary foundation skills needed for learning. Our syllabus will be a CAPS Aligned Curriculum, comprising of the following areas of learning that will be covered in Foundation Phase.

- Literacy (English & Afrikaans)
- Numeracy (Mathematics)
- Life-Skills

IMPAQ

IMPAQ will be the Curriculum Service Provider providing all the necessary workbooks, portfolio, assessments and tests & examinations' (which are CAPS aligned) from Grade 4 – 7.

Our Teacher will be conducting the monthly assessments, by which parents will be able to view the progress made, as you will have your own access to the IMPAQ Portal, once you have registered the learner with IMPAQ.

As a Private Institute, we will be conducting the services of teaching the IMPAQ Curriculum; however each parent will have to carry out the following procedure outlined below for successful registration:

1. Fill in the home schooling application form which can be obtained from our school and hand delivered to the Department of Education.

2. Register with IMPAQ via the website (for existing learners) and for the new parents joining our Academy, the school will give you a manual IMPAQ registration form and will assist you in filling the requirements of the form.
3. The School will submit the IMPAQ form on your behalf to be processed, whereby you will receive a confirmation via SMS on approval of the application.
4. A quotation is then emailed to the parent as the account holder. You will be given your very own password to access the [my.impaq](https://my.impaq.co.za) site to monitor your account.
5. The fee for the year's programme payable to IMPAQ is as follows:
Grade 1: R 3 948
Grade 2: R4 076
Grade 3: R3 948

3

Once a learner is registered the above amount may be paid as a once of payment whereby a 10% discount will be given if paid before the year end or a 25% deposit must be paid immediately so that all the necessary curriculum workbooks will be sent to the school so that teaching can be conducted. The balance can be paid monthly over a 10-month structure.

6. As our learners who have graduated from our Pre-School with an excellent level of prestigious learning achieved, we will be supplementing the Grade 1, 2 & 3 CAPS Curriculum from IMPAQ, with extra workbooks that will aid the syllabus thus allowing our learners further enhancement throughout their education. This fee will be given before the end of the year payable to the school.

REGISTRATION

A once off registration fee of R500 is charged, which secures your child a seat at the school. **NB. This is a non-refundable deposit.**

A re-registration fee of R250 will be charged yearly until termination of tuition.
